

WORDLE: Compare Vice Presidential Speeches (Biden vs. Palin)

- Which speech is which?
- What words stand out (use the most)?
- What words are surprising (for each to have used)?
- What words are missing (in your opinion)?
- What less used words (medium or small in size) stand out to you as meaningful?
- Which words do you think were used early or later in their speeches?
- Make up your own questions or conclusions from each...

Here are the URLs for each (or the “answers”):
